Fifty Head of Scotch Cattle

Ten Bulls and Forty Females

PARK E. SALTER

Wichita, Kansas

Park Place Farm

Park Place Farm is located 20 miles southeast of Wichita and 8 miles southwest of Augusta. Mr. Salter lives in Wichita and all mail should be directed to him 302 Bitting building, in that city. Salter station on the Santa Fe is practically at the barns. If you want to go to Park Place Farm, come to Wichita and notify Mr. Salter in advance of your coming, if it is convenient to do so, otherwise drop in at 302 Bitting building. If more convenient to go direct to Salter Station, you will find either Mr. Watt or Mr. Salter or both at the farm. It is part of the general plan to afford visitors every opportunity not only to look the stock over, but to go home feeling they have had a very pleasant visit at Park Place Farm.

Other Sales This Week

Attention is called to the following Shorthorn sales: S. A. Nelson & Sons at Omaha, Neb., Nov. 5; Owen Kane at Omaha, Neb., Nov 6; Bellows Bros. at Maryville, Mo., Nov. 7

Announcement

I am offering in this sale an unusually good and well bred lot of Scotch cattle. On account of the season and lack of equipment they will be only in ordinary flesh but in good breeding condition. The ten bulls included in the sale are a choice lot and furnish abundant opportunity for the selection of herd bulls fit to head any Shorthorn herd. I am offering no cows or bred heifers that I consider in the least, doubtful. They are all safe in calf or have calves at foot or both. They are bred to the very highest type of Shorthorn bulls in existence, among them being two imported bulls.

The open heifers are an even lot as to age and quality and have been raised just right to make valuable breeding cows. This offering should be a special attraction to the breeder and to the young man who wants to start a herd because there are so many chances to buy extra individual females that are sired by bulls of extraordinary merit and every one of the choicest and most popular blood lines.

It makes a big difference in the value of the cow you buy if she is bred to an outstanding sire or to a fairly good bull. You can not afford to pass this chance by to secure the right kind of a start or the right kind of an addition to your herd. Knowing that you will not be disappointed in these cattle, I extend to you a very cordial invitation to attend this sale either as a prospective bidder or a visitor.

With best wishes,

PARK E. SALTER,
302 Bitting Building, Wichita, Kanhas.

Guarantee

We guarantee every animal sold as a single lot a breeder. Cows well along in calf, or with calves at foot, show evidence of breeding and no other guarantee is given. All other cows and heifers of breeding age shall prove to be in calf or get in calf, but if they do not get in calf after a reasonable trial period, they can be returned and another animal of equal value will be given in exchange or purchase price will be refunded, purchaser paying freight. Will not offer any animal that we consider the least doubtful. Certificate of health furnished for animals going into territory requiring it.

This is a beautiful dark roan, has a magnificent coat; was the choice of several bulls of his age at Bapton Manor. His dam is a nice dark roan which we considered about the choice of the Willis herd. We had selected this bull with the expectation of retaining him in our herd, but we concluded to part with him in order to make the offering more attractive.

Rosewood Dale—Bought for \$2,500, was one of the bull bargains of the day. His sire, Avondale, is the greatest son of the greatest bull of the generation, and the present century. His dam, IMP. Rosewood 92nd, is one of the great cows of the world. Rosewood Dale, himself, is one of the great sires of the breed, and fit to use in any herd on earth.

He is now in the prime of life—very vigorous, a sure breeder and though he has had little chance, until recently to demonstrate his value as a sire, the present indications are that he will prove an invaluable breeding bull. When you get a calf sired by Rosewood Dale you know that the first cross in its pedigree represents the combined excellence of the best Shorthorns to be found in Europe and American. Can you measure this value?

Victoria 51st was imported by Smith & Lowman in 1876 and soon after sold to Verry Aldrich for \$500. Her descendants were one of the very best families of Shorthorns ever in this country and acquired great reputation in three leading American herds—that of Messrs. Sanger, Col. W. A. Harris and C. B. Dustin. Among the splendid animals bred from this line was the show cow Victoria of Hickory Park, one of the finest specimens of the breed ever seen at western shows.
